Moisture

9.8%

Pass

Date Tested: 08/06/2021

Analyst: KJ

Analyzed by STL SOPs HP001, HP003

Dried by the lab to the reported moisture content

Total THC = THCa * 0.877 + d9-THC

Total CBD = CBDa * 0.877 + CBD

LOQ = Limit of Quantitation

ND = Not Detected

NR = Not Reported

This report is the sole property of the client named on the Sativa Testing Laboratories, LLC (STL) chain-of-custody (COC). Neither reports nor results will be discussed with or released to any third party without our client's written permission. Final reports cannot be reproduced, except in full, without written authorization from STL. The information provided in this report applies only to the samples submitted and is relevant only for the date, time, and location of sampling. STL assumes no responsibility for the method of sample procurement or interpretation of results made by others. STL assumes no responsibility for information provided by the client on the COC such as project number, project name, collection dates, po number, special instructions, samples collected by name, sample numbers, sample identifications, sample types, or selected analysis type, that may affect the validity of the results in this report. Evaluation reports are based solely on the sample(s) in the condition in which they arrived at the laboratory and on the information provided by the client on the COC. All quality control results are acceptable unless otherwise noted. STL does not make contamination corrections to reports based upon analysis of laboratory and/or field blanks. All samples are disposed of after 60 days unless otherwise requested by the client. Sativa is accredited by AIHA-LAP, LLC in the Unique Scopes program. Refer to our accreditation certificate at www.aihaaccreditedlabs.org for an up to date list of the Fields of Testing for which we are accredited. This report does not constitute endorsement by AIHA-LAP, LLC or any other U.S. governmental agencies; and may not be certified by every local, state, and federal regulatory agency.
